

CURRICULUM VITAE

June 21, 2017

Daniel Finkelstein, M.D., M.A.

DEMOGRAPHIC AND PERSONAL INFORMATION

Current Appointments

Andreas C. Dracopoulos Professorship
Professor of Ophthalmology
Wilmer Ophthalmological Institute
Johns Hopkins University, School of Medicine

Core Faculty Member
Berman Institute of Bioethics
Johns Hopkins University

PERSONAL DATA

OFFICE: The Wilmer Institute
The Johns Hopkins Hospital
600 N. Wolfe Street
Room 729 Maumenee Building
Baltimore, MD 21287-9227
Phone: (443) 287-8348
Cell: (410) 375-3756
FAX: (443) 769-1209
E-mail: df@jhmi.edu

HOME: 1907 South Road, Baltimore, MD 21209

EDUCATION AND TRAINING

Undergraduate:	1962	Harvard College	
Graduate:	1967	University of PA	Medical
Post-Sophomore Fellowship:	1965	Free University of Berlin	Electrophysiology
Internship:	1968	Pennsylvania Hospital, Philadelphia	
Military:	1968-70	National Eye Institute Staff Associate Public Health Service	
Residency:	1970-73 1974-75	The Wilmer Institute	Ophthalmology Chief Resident, The Wilmer Institute

Fellowship: 1973-74 The Wilmer Institute Retina
Experimental Retinal Neovascularization

Postgraduate 2008 St. Mary's Seminary M.A. (Theology)
& University

Licensure: State of Maryland
Diplomat, National Board of Medicine Examiners
Board Certified, Ophthalmology

Research Interests: Retinal Vascular Disease
Retinal Degenerative Disease
Medical Ethics

National Positions:

Editorial Board, American Academy of Ophthalmology
"Focal Points" series 1988-1993

Editorial Board, Retina, 1980-1990

Editorial Board, Current Eye Research, 1993-1996

Deputy Chairman, Nationwide Collaborative
Central Vein Occlusion Study, 1987-1994

Chairman, Executive Committee, National Collaborative
Branch Vein Occlusion Randomized Clinical Trial, 1976-1986

Chairman, ARVO, Retina Section, 1981

Consultant, National Diabetes Advisory Board
Ocular Complication, October, 1979

Study Section, NIH, 1981-1984

Chairman, NIH Study Section, Visual Disorders, 1984

Co-Chairman, NIH Diabetes Coordinating Committee
Task Force on Animal Models, Ocular Complications

Chairman, Data and Safety Monitoring Board
Krypton-Argon Regression of Neovascularization
Multi-Center Randomized Clinical Trial, 1987

Director, Skills Transfer Course, Vein Occlusion
American Academy of Ophthalmology, 1992-1997

Macula Society, Program Chairman, 1987-1990
Macula Society, Credentials Chairman, 1995-1998
Macula Society, Treasurer, 1998-2000
Macula Society, Secretary, 2000-2002

Macula Society, President-elect, 2002-2004
Macula Society, President 2004-2006

Sub-section Editorial Consultant, Medical Ethics
Archives of Ophthalmology, 1992-1994

Data and Safety Monitoring Board, Silicone Study
Multi-Center Randomized Clinical Trial, 1986

Retinal Disease Committee, National Society to Prevent
Blindness, 1986

Publication Review Board, Early Treatment Diabetic Study
Multi-Center Randomized Clinical Trial, 1986-1991

Member - Task Force on Alternative Therapies
American Academy of Ophthalmology, Jan. 1, 2000

Johns Hopkins Positions:

Joint Committee on Clinical Investigation (IRB) 1986-2001

Medical Ethics Committee, 1987 through 1998

Chairman, Medical Ethics Committee, 1997 through 1998

Editor, Medical Ethics Newsletter, 1991 through 1998

Palliative Care Steering Committee, 1998

Laser Committee, 1985

Medical Committee for Performing Artists, 1987

Clinical Research Center Committee

Wilmer Positions:

Review of all human research projects for JCCI (IRB), 1986-2001

Wilmer Library Committee, 1975-1990

Wilmer Memorial Committee

Grants:

Principal Investigator:

Bioethics, Patient-Physician Trust Relationship, 2002-2003

Bioethics, Progressive Vision Loss, 2002

Diabetes Research and Wellness Foundation
Grant for Diabetic Retinopathy Screening, 1994-present

HSCRC Grant for Diabetic Retinopathy Screening, 1993-1996

Central Vein Occlusion Study, Participating Center, NEI, 1988-1994

Multi-Center BVOS: Macular Edema Data Analysis, NEI
EY06142, 1986-1989

Branch Vein Occlusion Study, Coordinating Center, NEI, EY02466
National Director of Multi-University Clinical Trial, 1976-1986

Branch Vein Occlusion Study, Participating Center, NEI, EY02469,
1976-1986

Studies in Retinitis Pigmentosa, NEI, EY01791, 1976-1994

Retinitis Pigmentosa
Retinitis Pigmentosa Foundation, 1977-1980

Experimental Retinal Neovascularization, NEI, EY01368, 1975-1978

Consultant:

Early Treatment Diabetic Retinopathy Study

Juvenile Diabetic Retinopathy Study

Studies of Visual Function in Retinal Ischemia

Retinal Function Changes Accompanying Age-Related Drusen

Blindness and Visual Impairment Among Mexican Hispanics

Program Coordinator:

Wilmer Core Grant, NEI, EY01765
