<u>BLOOM: Advisory Group</u>

The drafting of the model legislation will be led by the Core Project Team, in consultation with the Advisory Group. The Advisory Group will meet 4-5 times over the course of the project, with one in-person meeting in Washington D.C. and the rest being virtual. The Group has the following roles:

1) **Drafting**: Together with the Core Team, the Advisory Group will help produce a full draft of the model legislation (goal of the in-person meeting in Washington D.C)
2) **Feedback and Review:** The Advisory Group will provide feedback and review of the draft model legislation, after which the Core Team will produce a near-final model law with section-by-section explanatory text.
